

Health screening benefit with Guardian Hospital Indemnity Insurance

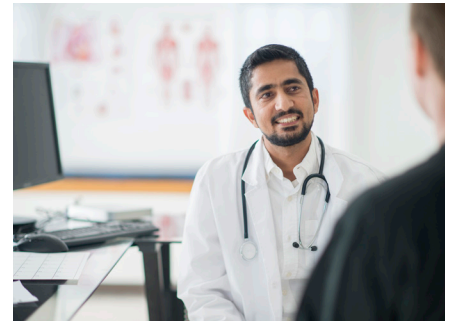

Get money back for taking care of yourself

Guardian Hospital Indemnity helps soften the financial impact of higher medical plan deductibles and out-of-pocket costs associated with hospital admissions. Covered benefits go directly to you in a lump sum payment, and can be used for any purpose.

And with Guardian Hospital Indemnity Insurance, you have a Health Screening Benefit that gives you money back.

You'll receive a lump sum benefit payment once per year when you complete any of the screenings below¹:

- Blood test for triglycerides
- Bone marrow testing
- Breast ultrasound
- CA 15-3 (blood test for breast cancer)
- CA125 (blood test for ovarian cancer)
- Cancer genetic mutation test-CEA (blood test for colon cancer)
- Chest x-ray (preventive screening, not diagnostic)
- Colonoscopy/Virtual colonoscopy
- Completion of a smoking cessation or weight reduction program
- Fasting blood glucose test
- Flexible sigmoidoscopy
- Hemocult stool analysis
- Lymphocyte Genome Sensitivity test (LGS)
- Mammography
- Pap smear/ThinPrep pap test
- PSA (blood test for prostate cancer)
- Serum cholesterol test to determine level of HDL and LDL
- Serum protein electrophoresis (blood test for myeloma)
- Stress test on a bicycle or treadmill
- Thermography
